To Dean

The Junior Class dedicates the 1947 KALEIDOSCOPE to Millicent Cox Woodward, new Dean of the Women's College of Middlebury, in sincere appreciation of her guidance and understanding.

Dean Woodward, a native of California, attended Mills College and the University of California, receiving her degree from the latter in 1927.

After three years of teaching and teacher-training work at Claremont Junior High School and University High School in Oakland, Mrs. Woodward began her graduate work at Radcliffe, where she later received her M.A. degree. In 1931 she became Assistant Director of the Radcliffe College Appointment Bureau, remaining there until 1933, when she left to teach in a private school.

Two years later, in 1935, Mrs. Woodward accepted a teaching position at an academy in Honolulu. She taught there for one year and then, in 1936, resumed her graduate studies at Radcliffe, in conjunction with residence work there as head of Eliot Hall.

In 1939 Mrs. Woodward left Radcliffe to take a position of residence direction and teaching at Barnard College in New York. Three years later she became Dean of the Child Education Foundation in New York City, and held this position until 1945, when she came to Middlebury as Dean of the Women's College.

Woodward

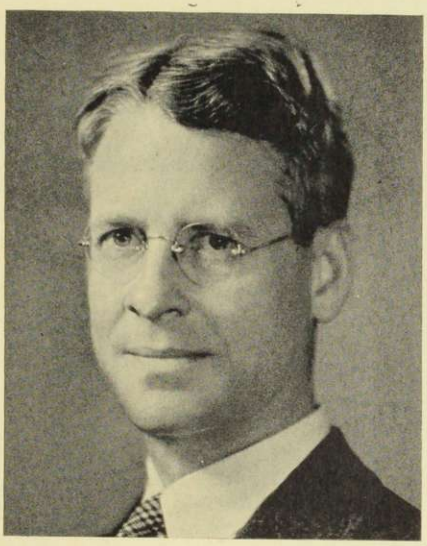
President Stratton

Dr. Stratton has held the position of President of Middlebury College since January, 1943. He received his A.B. degree at Dartmouth College and his M.A. and Ph.D. degrees in Economics at Harvard University in 1925, at which time he received the position of Associate Professor of Economics at the Harvard Business School.

For two years President Stratton served as Economic Consultant with the Priorities Review Division of the War Production Board in Washington, and in 1938 and 1939 did research work for the Harvard Bureau of Economic Research.

Vice-president Freeman

Dr. Freeman returned to Middlebury in 1946 to resume his former positions after spending a year with the United States Army in France as Chief of the Liberal Arts Section at the Biarritz-American University. He received his A.B., M.A., and Ph.D. degrees and the Phi Beta Kappa award at Harvard University. He started his teaching career at Brown University as an instructor from 1923 to 1925 and came to Middlebury in 1925 to become Dean of the French School and professor of French. He became Vice-President of Middlebury College in 1943 after one year as Acting President.



Dean Lee

W. Storrs Lee, after serving as Commander in the U.S.N.R. from 1941 to 1945, returned to Middlebury this year to hold the position of Acting Dean of Men. Mr. Lee received his A.B. degree at Middlebury in 1928, and attended Oxford University in 1928 and 1929. He returned to Middlebury in 1930 to become Editor of the Middlebury College Press until his affiliation with the Navy. In addition to his capacity as Editor, he was an instructor in English from 1930 until 1933.

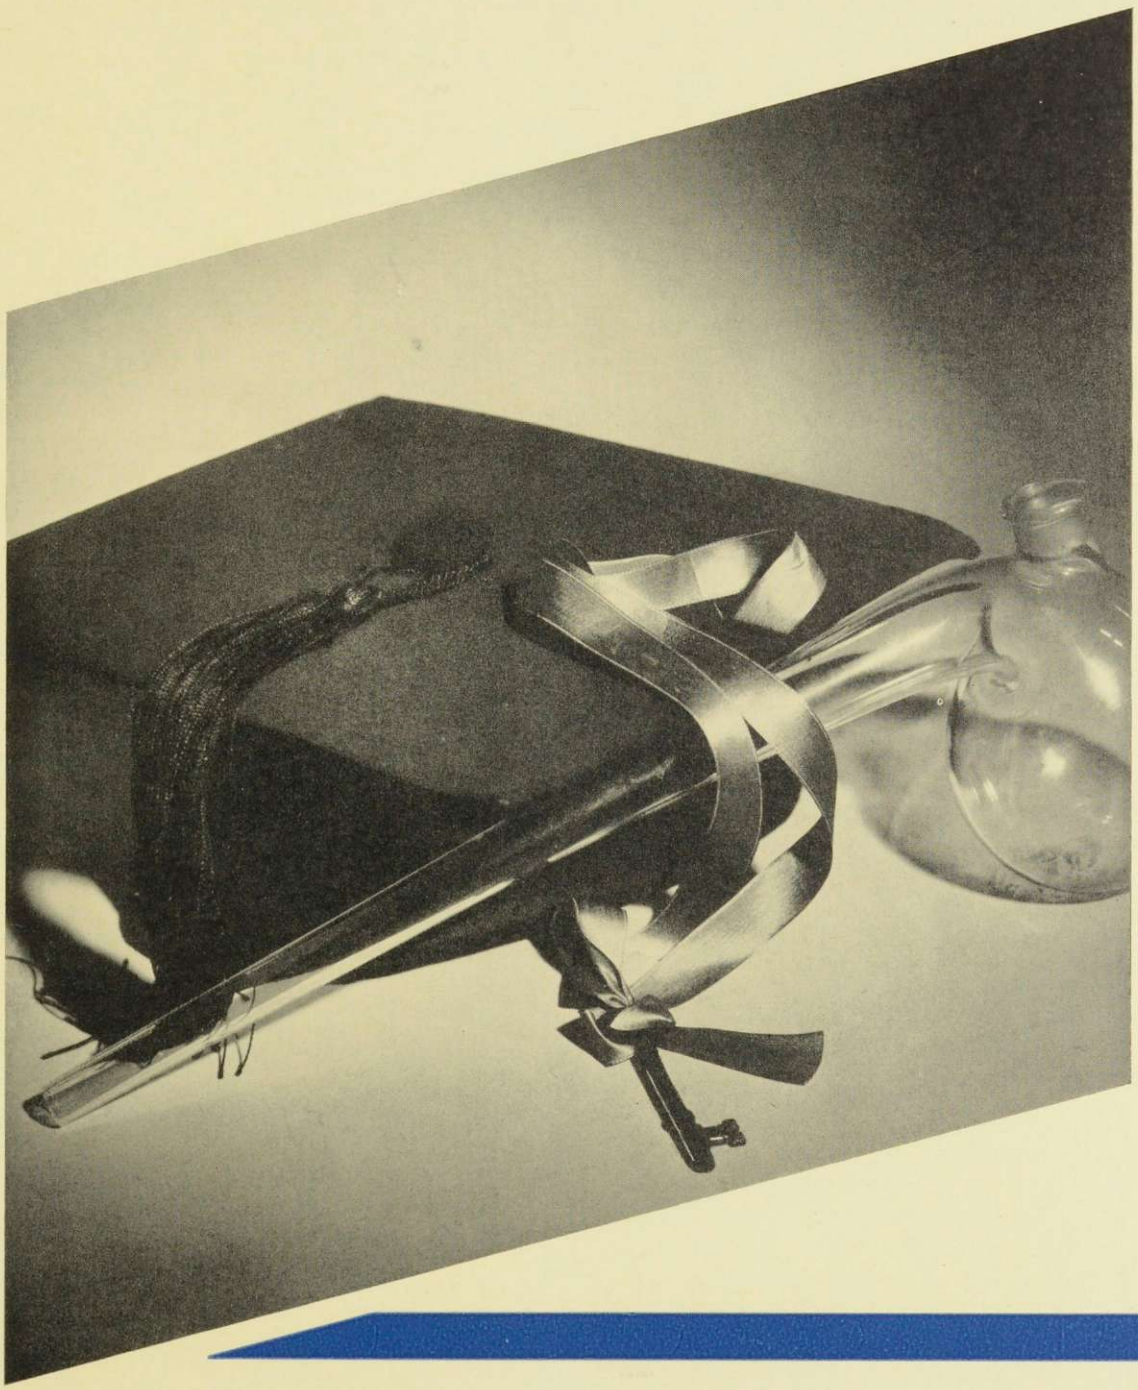
ORGANIZATIONS



Women's Assembly

Hopkins, Secretary; Hurd, Treasurer; Grigg, President; Thorn, Chief Justice; Hodder, Vice-President

Approximately ten per cent of the Women's College makes up the Women's Assembly, which is the governing body of Student Union. The representatives are apportioned by dormitories according to the number of women from each class living in each house. House presidents automatically become members.

The suggestions and criticisms of students are discussed and acted upon at meetings held once a month in Munroe and house presidents report the results at house meetings in the various dormitories. In 1945 a committee was formed to discuss the revision of the Constitution of Student Union to simplify it and coordinate it with the new Constitution of Men's Assembly. Also delegates were sent to the Annual Regional Convention of Women's Student Governments. Aims of Student Union are toward a more complete and well understood honor system.

Activities during the year included the initiation of the "Gobbler's Gambol" with fun for all on the night before Thanksgiving. Student Union also continued to support Martin Van Zaanten, a twelve-year-old foster child.

The officers for 1945 and 1946 were Barbara Grigg, president; Virginia Hodder, vice-president; Alice Thorn, chief justice; Laura Lee Hopkins, secretary; and Elizabeth Hurd, treasurer.

Men's Assembly

Second Row—Calder, Mathews, Goell, Valpy, Penniman, Johnston, White, Beach
Front Row—Black, Mutti, Wiemann, Ensinger, Scott, Schoch, Wright

Men's Assembly, the core of the Men's Undergraduate Association, has been most active throughout the year in directing the revision of the methods and policies of undergraduate government on campus. Elections in the fall chose Russell P. Dale '46 as President of the Men's Undergraduate Association and Lewis G. Ensinger '46 as Speaker for Men's Assembly.

By far the greatest accomplishment of the Assembly this year was the drawing up of a new constitution involving changes in policies, organization, and methods. The constitution was passed by the Student Life Committee on January 8, and went into effect immediately.

The Proctor System as planned under the new organization results in a firmer liaison between the administration and the members of the undergraduate body. Men selected as proctors enforce college regulations and control the determination of study hours. Greater responsibility is thus placed on actual student government.

Ensinger, President; Scott, Treasurer

Student Life Committee

Hodder, Grigg
L. Ensinger, Miss Larmour, Dale, Dean Lee, Dean Woodward

Student Life is the group that helps make possible the many extra-curricular activities that all Middlebury students enjoy. It is this committee that coordinates and regulates the activities of student organizations and acts in an advisory capacity to all such organizations. A sub-committee arranges the social functions of the college and prepares a tentative social calendar at the beginning of each semester.

Student Life is composed of representatives from the student body and the administration. The members are eight in number and include the President of the College, the Dean of Women, the Dean of Men, the Social Director, the President of Men's Undergraduate Association, the Speaker of Men's Assembly, the President of Student Union, and a representative from Student Union.

Informal meetings are held by the committee and at these meetings the charters and constitutions of new organizations are submitted for approval and plans for pending social functions are approved. Also, any conflicts that may arise in the social calendar are altered, various problems pertaining to the Men's and Women's Colleges are discussed, and suggestions and criticisms from the student body are considered. In 1945 the committee approved the charter of the newly organized Flying Club and the constitution of the Inter-Fraternity Council. The Men's College revised its constitution and this was also approved by Student Life.

During the year plans were formulated to revise the constitutions of both the Men's and Women's Colleges to make them as uniform as possible, and the idea of preparing a standard form for the constitutions and charters of all organizations was considered.

At Thanksgiving the committee arranged for the exchange of students between the Men's and Women's dining rooms, some of the women eating in Gifford, and some of the men eating in Hepburn, Forest, or Battell.

The social calendar for the spring term included dances given by the various organizations, as well as hikes, sugaring-off, a picnic, and an afternoon bridge party, affording a varied and interesting program.

Mortar Board

Mortar Board is a national honorary society of senior women who are chosen at the end of their junior year, on the basis of scholastic achievement, capable leadership, and effective participation in college activities. Being a member of this society is not only an honor but a responsibility.

This fall, after its annual book sale, Mortar Board sponsored the Freshman Outing at Breadloaf. Later on, it presented the sorority question in its entirety to the freshmen, and in January, formulated a poll on this issue for the whole campus.

Mortar Board's aims are high and far-reaching, and it endeavors to advance a spirit of service and fellowship among college women, to maintain a high standard of scholarship, to recognize and encourage leadership on the campus, and to develop, in the end, finer college women.

Blue Key

Blue Key was founded in 1930 and is Middlebury's men's honor society. To be eligible for membership a man must have high academic standing, participate in athletics, and have an outstanding record in extra-curricular activities. Among the functions of the organization are training of freshman men, selling freshman caps and rules, purchasing athletic awards for championship teams, managing athletic rallies, and above all upholding the "Midd Spirit." Two informal dances were sponsored by Blue Key this year.

During the war membership was greatly reduced but the few remaining members carried on and with spring tapping this year their former strength was regained. Membership is limited to twenty-five men chosen from the sophomore, junior, and senior classes.

The president for the fall of 1945 was Lewis Ensinger.

Women's Forum

The metamorphosis of Women's Forum from discussion to social service was completed this year under June Brogger's presidency. Social work centers around the Community House under Miss Dean's guidance, but extends to a Christmas party and a new arts and crafts program for Ripton children and even includes dispatching a large box of clothing to the United Nations Rehabilitation Relief Association.

In addition to supplying food, clothing and medicine to Middlebury welfare workers and clothing more than ten families, Forum sells donated clothes at low prices in the tiny Thrift Shop, directed by Phyllis Hewson. Financial enterprises include running the Middlebury College Community Chest Drive, aiding the Town Recreation fund, and maintaining a boy at the New England Kurn Hattin Home. Members teach town children dancing, music, arts and crafts, help with hostess work and story hour at the Community House, lead Girl Scouts, and work at Porter Hospital.

Humanities

From the general enthusiasm which greeted the first Middlebury Culture Conference in 1943, Humanities was born. The students felt that more time should be spent discussing various aspects of current problems. Humanities is a community as well as a college organization, for students, professors, and townspeople are all invited to attend the informal panels.

This organization, composed of two representatives from each organization on campus, planned as its theme this year, "The Background to 1946." They covered all phases of study in this connection in the United States up to 1946.

Humanities, advised by Professor Claude Bourcier, also plays an integral part in arranging the schedule for various club meetings on campus. The president of Humanities for 1945 and 1946 was Lois Southgate.

S. A. A.

S.A.A., although a fairly new organization on campus, has proved very successful in stimulating student thought and action on current affairs. The S.A.A. publication, the *Agenda,* expresses student and faculty opinion on important issues. Also, radio programs are sponsored at Burlington and frequent panel discussions are held with student, faculty and outside speakers participating. "The Control of Atomic Energy" and "Permanent Military Conscription" were among the pertinent questions discussed this year.

As a local chapter of the United States Student Assembly, S.A.A. sent representatives to the recent conference in Boston, and was represented at the spring convntion.

Inter-Faith

Inter-Faith is a comparatively new organization on campus which endeavors to build cooperation among all religions. In order to discourage racial or sect discrimination it has presented several programs in chapel concerned with different religions and shown movies secured by the group from the Friends' Service Commission in Mexico.

The members participated in the Ripton Christmas Party and presented a pageant portraying the birth of Christ.

Several speakers from other Inter-Faith groups throughout the country have lectured to students interested in this organization.

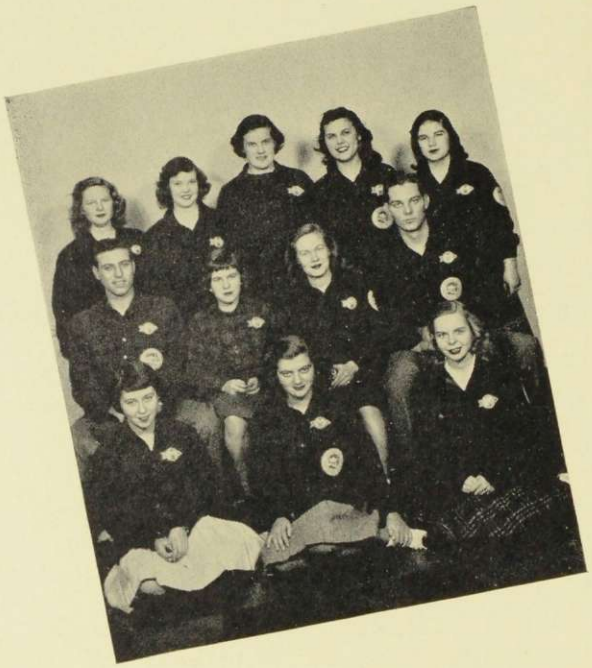
Debate

The Debate Team furnishes the student the opportunity to learn to evaluate facts and to think and speak logically and clearly. Because of improved travelling conditions, the schedule of the team was expanded this year, affording a greater contact with other colleges.

Under the direction of Professor Perkins, and the management of Carol Becker, the team enjoyed a successful season, debating at various eastern colleges and entertaining several schools here at Middlebury. The feature of the year was a prize debate with the University of Vermont.

In February Margaret Armstrong replaced Carol Becker as Team Manager.

Mountain Club



Third Row—Brookman, Treasurer; Gard, B. Drake, Bates, Cameron
Second Row—Sacher, Cushing, Proud, President; L'Episcopo
Front Row—Northam, Lindeman, Dildine, Secretary

Mountain Club is one of the largest and most popular of the extra-curricular organizations at Middlebury, with an active and enthusiastic membership numbering more than half the student body. It was established in 1931 to take advantage of Middlebury's 31,000 acre Mountain Campus in the East Range of the Green Mountains and to encourage outdoor activities not provided for by the athletic council. Much of the social life of the college revolves about its hikes and outings and especially about Winter Carnival which Mountain Club inaugurated in 1932.

Before College opens each year a welcoming invitation is mailed to freshmen. During Freshman Week the club sponsors an outing on the women's athletic field which includes games, singing, supper and a scavenger hunt.

A series of fall hikes is planned each year and during 1945 included Mount Pico, South Mountain and an overnight hike to Mount Killington.

The current hike was announced in Thursday chapel and many a Thursday noon dessert was skipped for a better place in the line in Munroe waiting to sign up, for only a limited number can go on regular hikes.

Every Sunday morning found the two red Mountain Club trucks behind Battell Cottage waiting for the hikers to climb in and spend the ride singing the Mountain Club classics. The climbing itself, led by the blue-shirted Skyliners, took too much breath for singing and the view at the top took away any breath that was left. The trucks returned to the college in time for the hikers to attend Sunday Chapel.

With the first good snow, enthusiasts crowded under the canvas tops of the two red trucks and went to Lincoln Gap or Breadloaf Mountain where there was a ski-tow and a cabin complete with a much-appreciated fireplace, before which the skiers sat to eat traditional peanut butter sandwiches from paper bag lunches.

Emmy Cushing and Ray Sacher, who held the offices of Carnival Co-Chairmen for 1946, had some trouble with Saint Peter, who presented us with a January thaw in spite of the Ski Prayer for snow recited in chapel by the entire student body. However, with the help of snow from Breadloaf and trucks from townspeople, students managed to pack the jump at Chipman and our skiers vied with teams from West Point, R.P.I., McGill, New Hampshire, M.I.T., Dartmouth, U.V.M., Williams, Tufts, Mt. Holyoke, Syracuse, and Skidmore.

When spring does not come too early as it did in 1945, it brings with it the ancient New England custom of sugaring-off. Hikers bring tin cups for "Sugar on Snow" and munch pickles to dull the effects of too much maple sugar.

Skyline, the legislative body of the Club, consists of twelve members of each of the three upper classes. Freshman and transfer tryouts attend lectures on weather signs and heights of mountains, the fundamentals of First Aid and hiking, and the Club organization. They also work on trails and rise faithfully before dawn to make sandwiches for the hikes. In the spring they pass a written examination after which twenty are elected to Temporary Skyline. The following winter twelve of these are elected to Permanent Skyline, the body from which the executive Governing Board of twelve members is chosen. Cynthia Proud was president of this organization for 1945 and 1946.

Kaleidoscope

Corcoran, Stowell, C. Davis, J. Davis, Brigham

Along with the disappearance of the Navy and the summer term went the war-time February edition of Middlebury's Junior year-book, the KALEIDOSCOPE. Its present staff began work last spring, in order to have a complete story of the Juniors this June for the first peace-time "KALEID" since 1942.

On the editorial staff, Charlotte Davis has complete charge of the year-book, and sees that all is run smoothly. Lois Brigham is head of the editorial tryouts and is responsible for all write-ups in the book. Virginia Stowell has charge of the pictures and of making a schedule for the photographers, and Mary Corcoran, who replaced Lee Von Thurn last fall, works with the whole staff, acting more or less as a liaison.

Jean Davis manages the Business Staff alone. The tryouts under her get contracts for adds from various companies, and she is also responsible for planning the whole budget so that the KALEIDOSCOPE pays for itself.

The Sophomore tryouts, as well as the staff who have all the planning to worry about, deserve credit for all of the actual writing and for procuring ads. Tryouts also take tests on the work during the year, and each must make a dummy year-book of his own ideas in order to compete for staff positions.

Campus

Student opinion of the *Middlebury Campus,* weekly publication since 1913, was confirmed last fall by a first class-excellent rating from the Associated Collegiate Press Rating Bureau. The staff aims for accurate coverage of news and student opinion, especially through the new "Free Speech" column. Members learn fact and feature writing as well as the responsibilities of editing. This year the sports page reappeared under Alan Wolfley, who also revived the commentary column "Billboard."

Campus is a pioneer in the tryout system under which members progress annually up the executive ladder via lectures, exams, and elections. Freshman tryouts learn about heads, proofs and journalistic style; Sophomore news-staffers write stories and heads; Junior assistant editors write major stories, and by a system of rotation take charge of layout and supervise the printing at Burlington. Business Staff activity covers mailing, delivering, collecting and laying out ads.

Senior Board's six salaried positions for 1944-1945 were: Co-Editors, Esther Walsh and Helen Floyd; Business Manager, Mary Jane Selleck; Managing Editor, Alice Louise Bull; Associate Editor, Barbara Grigg; Advertising Manager, Bette Bertschinger; and Circulation Manager, Doris Vaughn. The preceding members were replaced in December by Janet Kraft and Peter Funck, Co-Editors; Delphine Marden, Business Manager; Nancy Surtees, Managing Editor; Joanne Buckeridge, Associate Editor; Evelyn Gardner, Advertising Manager, and Doris Vaughn, Circulation Manager.

Tone

Tone is the musical organization which endeavors to stimulate an interest and participation in music by the students. Although it is one of the older clubs on campus, Tone was not active during the war years. Recently, it has been revived with the help of Mr. Carter as faculty advisor. The club has no requirements for membership and the informal, enjoyable meetings, presided over by Elizabeth Robinson, are dedicated to listenings.

Many varieties of records are heard because Tone presents a program which includes all types of music and at the same time satisfies diverse tastes. Some afternoon listenings are comprised solely of symphonies whereas evening programs include works of specific composers such as Gershwin or Beethoven. Occasionally selections deal solely with music from one country. Both the classical and modern, including jazz, may be heard on the same program, the records sometimes being chosen by popular request. Another important phase of Tone's meetings are those in which talented college students perform for the group. In order to broaden the musical background of the students, professors or club members provide supplementary talks. Discussions and refreshments usually conclude the meetings. It is hoped that this year a series of programs concerning American music can be presented.

Two of Tone's projects are to give several daily chapel programs during the year and to sponsor all concerts given by the college orchestra. The club also works in conjunction with the Humanities and aids other groups in their musical performances.

Choir

The choir, under the direction of Mr. Bedford, leads the singing of hymns in daily chapel and presents an anthem and the benediction at Sunday Vespers. Its members are selected by Mr. Bedford at tryouts held at the beginning of each year and during 1946 membership has reached fifty-five as the men's section has continued to increase.

Women's Chorus

The Women's Chorus was organized to satisfy the popular demand for a non-selective musical group on campus which would provide an opportunity for any interested students to participate in group singing. Not being limited in its membership, it is composed of students of the various classes. It is not competitive but rather supplemental to the choir, and in addition to developing students for the choir, it offers constructive teaching and the opportunity to enjoy choral music.

Black Panthers

The Black Panthers, which supply the dance music for the college, became the Navy Blue Panthers for the year 1945 when the band was composed solely of Navy men, numbering thirteen. They have always been very popular at Middlebury and were especially so last year, as they played not only at the Saturday night gym dances but also occasionally at the Lodge. They were led by Cecil Steen and the vocals were done by Nat Simpson. The Navy Blue Panthers were most renowned for the fact that one of their members, Duncan Mullins, wrote the song hit "Moonlight on the Trail."

Orchestra

Known to many as the miniature of the Vermont State Symphony Orchestra, this organization is composed of students who have an interest in and an enjoyment of good music.

Since Mr. Carter's return in 1944, interest in the orchestra has increased and this small organization of twenty-one members is once again active on campus.

Middlebury College Players

Second Row—Rogers, Hamilton, Secretary-Treasurer; Barre, Historian
Front Row—Nierhaus, Program Chairman; Kasper, President; Stayer, Historian

The Middlebury College Playhouse located on Weybridge Street is the center of all dramatic activities on the campus. It offers to all students interested in drama an opportunity to display their talents, either by acting, painting sets or working on lighting, properties, costumes, or publicity committees. It is by working on these various committees that a student earns the points necessary for membership.

The spring season of 1945 was a very active one. Two groups of one-act plays were given, and the Players presented "The Emperor's New Clothes" in conjunction with students from the High School. "The Male Animal" was the presentation for the Arts Festival.

In the fall the theatre year began successfully with the production "Death Takes a Holiday." The next event was an initiation of new members, increasing the membership to around thirty. The Winter Carnival play for 1946 was "You Can't Take It With You."

The constitution of the Players was revised during the summer months and the Playhouse was renovated in anticipation of an active season.

Literary Club

In the spring of 1945, the Literary Club reappeared on campus under the presidency of Katherine Rowley.

Twice a month members assembled to listen to guest speakers, to discuss literature and the art of writing, and to read and criticize poetry and short stories submitted by members of the club.

The Literary Club is now the sponsor of the monthly Abernethy readings. A committee, under Chairman Irmgard Nierhaus, was responsible for selecting the readers and arranging the dates of the programs during 1945 and 1946. At the Christmas reading Gladys J. Swift '46, presented *A Christmas Carol* by Charles Dickens, and for the January reading Miss Rose E. Martin read selections from *Winnie the Pooh* by A. A. Milne, and *The Princess and the Tin Box* from James Thurber's *Fairy Tales for Our Times*.

Directions, the bi-annual literary magazine of the college containing original work done by undergraduates, is produced by a staff composed of members of the faculty, and students chosen from the Literary Club.

Alchemists Club

For twenty-four years this club has been an active organization on campus, with the purpose of promoting interest in the current progress of chemistry and of qualifying its members as better chemists.

Under the guidance of Jane Drury as President, and faculty members of the department, the group presented visiting speakers and movies on informational topics, during the course of the year.

Flying Club

Revived by a group of interested veterans, the Flying Club of Middlebury has regained its pre-war popularity. At minimum expense, its members took the twenty-minute bus ride to the Bristol Airport any free afternoon, weather permitting, for instruction in the two tandem Aeroncas. Joseph Rock, naval flight instructor during the war, and Kenneth Beckwith, Middlebury veteran and licensed light-plane instructor, furnished excellent instruction and suggestions for a more complete program.

The Club hopes in time to accomplish an airport of its own, with ground instruction in navigation, mechanics and meteorology.

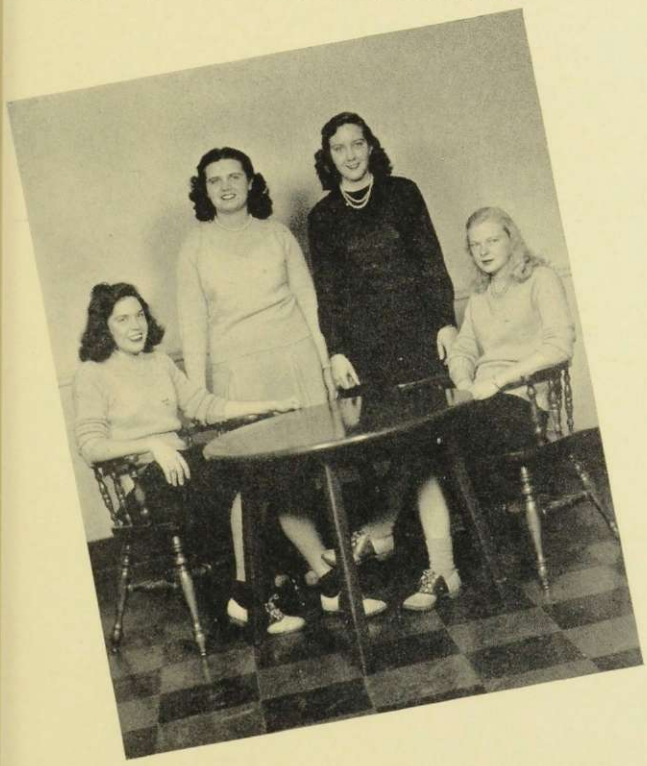
French Club

The French Club was organized to bring the flavor of the French language and customs to those students taking advanced French courses. Meetings were held once a month in the Grand Salon of the Chateau, where only French was spoken, under the supervision of the faculty of the French department. At these gatherings various games were played, skits presented, and music played and sung. Among the events of the year were the annual French Club Ball, the traditional Bacon Bat on Chipman Hill, and the presentation of a French movie. Of particular note this year was a French Exposition of famous French paintings, held at the Chateau and accompanied by an after-dinner coffee. The club also sponsored a clothing drive to aid the people of France.

The officers for 1945 and 1946 were Katherine Craven, President; Sarah McCullough, Vice-President; Eunice Goodfellow, Secretary-Treasurer.

McCullough, Vice-President; Craven, President; Goodfellow, Secretary-Treasurer

Royce, President; Donelan, Secretary-Treasurer; Gavagan, Program Chairman; J. Smith, Vice-President



Spanish Club

Organized to promote a better understanding of Spanish-speaking nations this club is open to advanced Spanish students only, with Miss Martin as faculty advisor.

A novel South American fiesta was held by the group last March in which various phases of Spanish customs were presented, and Nil-Cumel, the Cuban pianist, was a guest performer. Other features during the two days of festivity included a poetry reading contest in the Playhouse and demonstrations of Spanish dances. For those interested in the creative and artistic aspects, an exhibition of curios and pictures by South American artists was held.

The club celebrated the Christmas season by singing carols and producing a pageant depicting Mexican holiday customs. Other programs throughout the year included Spanish songs, skits, games, and informal talks by members of the faculty. Each year's activities are culminated by a picnic at Breadloaf.

Wilbur, Swan, Treasurer; Nierhaus, Social Chairman; Koster, President

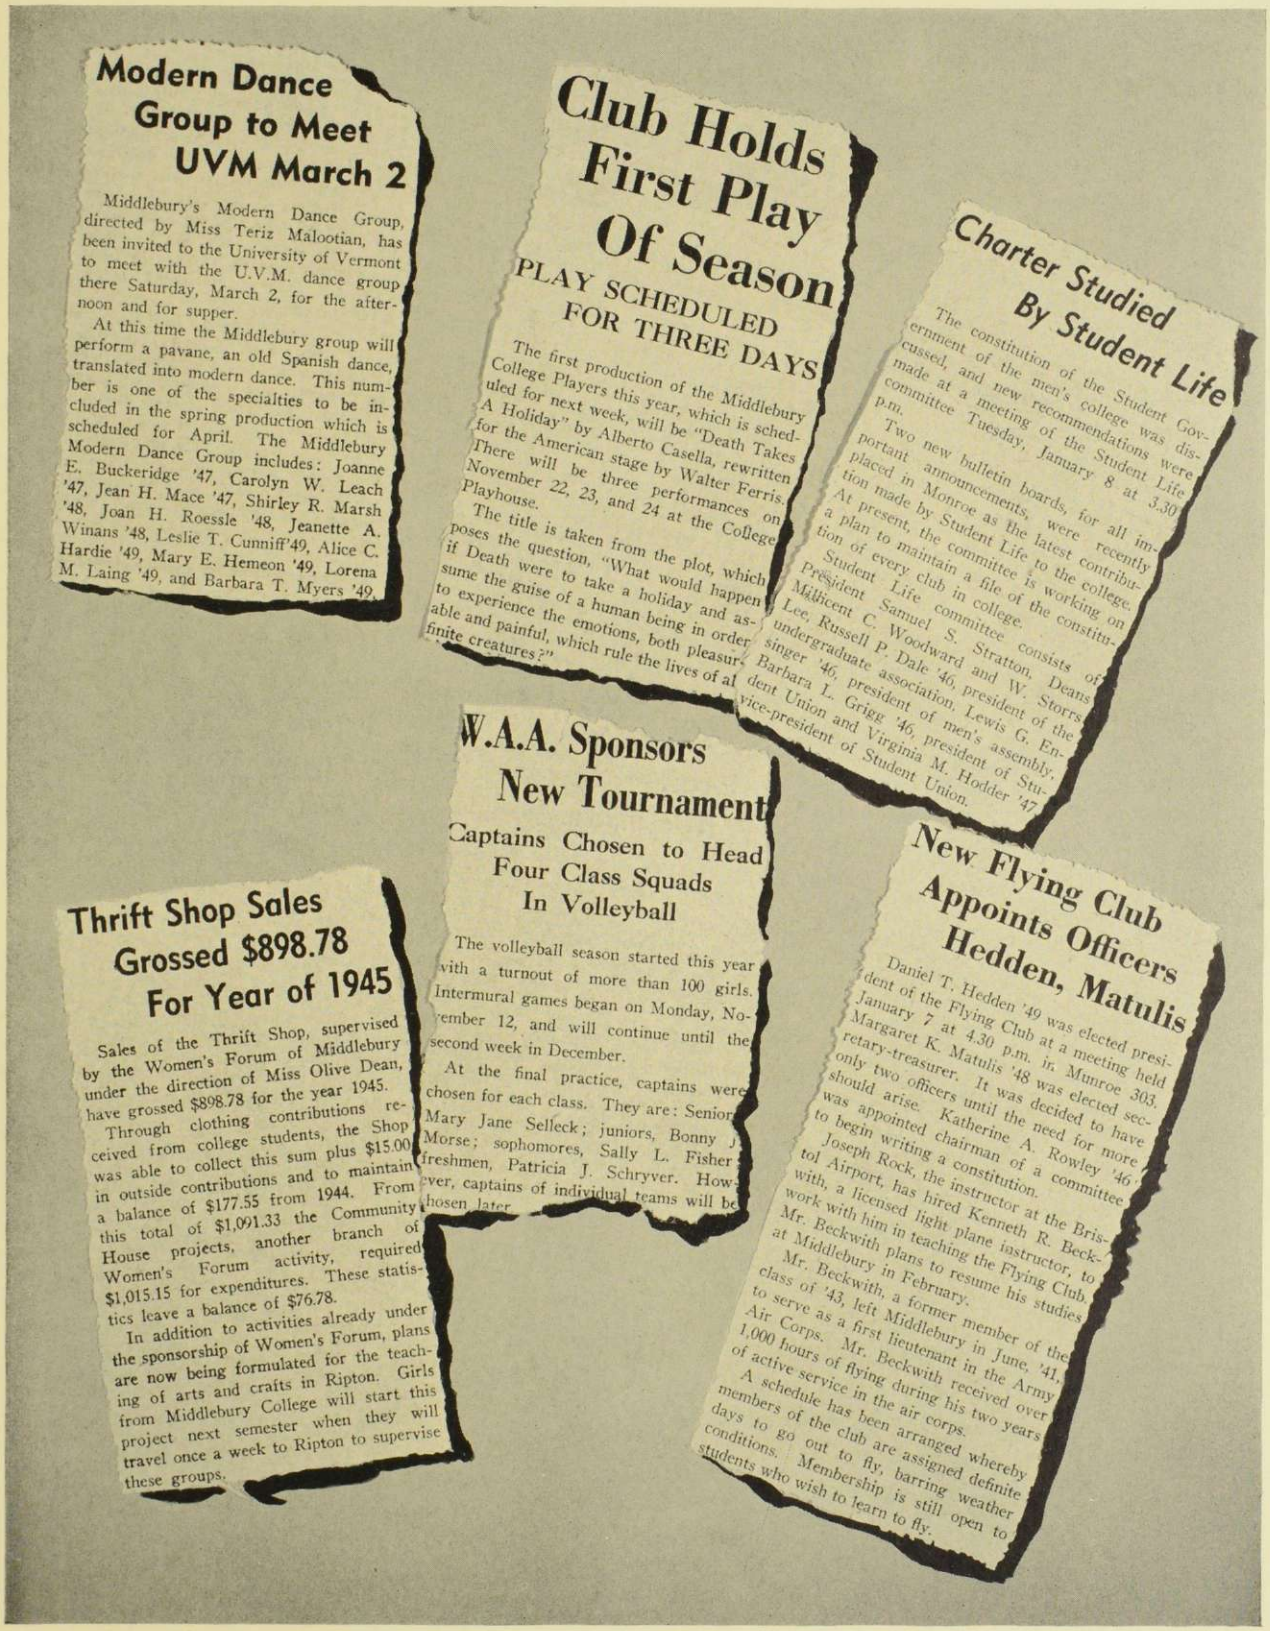
German Club

Prior to the spring of 1945 the activities of the German Club were limited to informal meetings at Professor Neuse's home of "Die Kleine Gruppe," a small group of advanced students. The German Club was then reorganized and a new constitution drawn up. Any students of German, beginners or advanced, may join, so that there is a chance for all to express themselves. A German House was established for the first time on campus at Wright House. German Club meetings are held there. The first meeting of the fall term was an open house given by the ten students living at Wright House. Some of the other activities included movies, a puppet show by Professor Neuse, a bike hike to Bristol where a picnic was held, a play by the members, a Folk Fest with German dancing, and caroling at Christmas. There are forty-three members.

Robinson, Secretary-Treasurer; Kivelson, Keefe Rittenhouse, President; Robbins, Johnston

Russian Club

The Russian Club was founded in the Spring of 1945 after its constitution had been approved by the Student Life Committee. Prior to the organization of the club, which is open to any student taking a Russian language course, a sample meeting was held at the home of Dr. Fayer, head of the Russian Department. At this model meeting the prospective members enjoyed Russian food, games, and songs. Regular business and social meetings were held, but Russian was not spoken exclusively since so few students are in advanced classes. The reason for this is that the Russian Department is the newest on campus, founded in 1944. The purpose of the club is to study Russian customs and culture in order to bring about a better understanding of that great nation.



Modern Dance Group to Meet UVM March 2

Middlebury's Modern Dance Group, directed by Miss Teriz Malootian, has been invited to the University of Vermont to meet with the U.V.M. dance group there Saturday, March 2, for the afternoon and for supper.

At this time the Middlebury group will perform a pavane, an old Spanish dance, translated into modern dance. This number is one of the specialties to be included in the spring production which is scheduled for April. The Middlebury Modern Dance Group includes: Joanne E. Buckeridge '47, Carolyn W. Leach '47, Jean H. Mace '47, Shirley R. Marsh '48, Joan H. Roessle '48, Jeanette A. Winans '48, Leslie T. Cunniff '49, Alice C. Hardie '49, Mary E. Hemeon '49, Lorena M. Laing '49, and Barbara T. Myers '49.

Club Holds First Play Of Season

PLAY SCHEDULED FOR THREE DAYS

The first production of the Middlebury College Players this year, which is scheduled for next week, will be "Death Takes A Holiday" by Alberto Casella, rewritten for the American stage by Walter Ferris. There will be three performances on November 22, 23, and 24 at the College Playhouse.

The title is taken from the plot, which poses the question, "What would happen if Death were to take a holiday and assume the guise of a human being in order to experience the emotions, both pleasurable and painful, which rule the lives of all finite creatures?"

Charter Studied By Student Life

The constitution of the Student Government of the men's college was discussed, and new recommendations were made at a meeting of the Student Life committee Tuesday, January 8 at 3.30 p.m.

Two new bulletin boards, for all important announcements, were recently placed in Monroe as the latest contribution made by Student Life to the college. At present, the committee is working on a plan to maintain a file of the constitution of every club in college.

Student Life committee consists of President Samuel S. Stratton, Deans Millicent C. Woodward and W. Storrs Lee, Russell P. Dale '46, president of the undergraduate association, Lewis G. Ensinger '46, president of men's assembly, Barbara L. Grigg '46, president of Student Union and Virginia M. Hodder '47, vice-president of Student Union.

W.A.A. Sponsors New Tournament

Captains Chosen to Head Four Class Squads In Volleyball

The volleyball season started this year with a turnout of more than 100 girls. Intermural games began on Monday, November 12, and will continue until the second week in December.

At the final practice, captains were chosen for each class. They are: Senior, Mary Jane Selleck; juniors, Bonny J. Morse; sophomores, Sally L. Fisher; freshmen, Patricia J. Schryver. However, captains of individual teams will be chosen later.

Thrift Shop Sales Grossed $898.78 For Year of 1945

Sales of the Thrift Shop, supervised by the Women's Forum of Middlebury under the direction of Miss Olive Dean, have grossed $898.78 for the year 1945.

Through clothing contributions received from college students, the Shop was able to collect this sum plus $15.00 in outside contributions and to maintain a balance of $177.55 from 1944. From this total of $1,091.33 the Community House projects, another branch of Women's Forum activity, required $1,015.15 for expenditures. These statistics leave a balance of $76.78.

In addition to activities already under the sponsorship of Women's Forum, plans are now being formulated for the teaching of arts and crafts in Ripton. Girls from Middlebury College will start this project next semester when they will travel once a week to Ripton to supervise these groups.

New Flying Club Appoints Officers Hedden, Matulis

Daniel T. Hedden '49 was elected president of the Flying Club at a meeting held January 7 at 4.30 p.m. in Munroe 303. Margaret K. Matulis '48 was elected secretary-treasurer. It was decided to have only two officers until the need for more should arise. Katherine A. Rowley '46 was appointed chairman of a committee to begin writing a constitution.

Joseph Rock, the instructor at the Bristol Airport, has hired Kenneth R. Beckwith, a licensed light plane instructor, to work with him in teaching the Flying Club. Mr. Beckwith plans to resume his studies at Middlebury in February.

Mr. Beckwith, a former member of the class of '43, left Middlebury in June, '41, to serve as a first lieutenant in the Army Air Corps. Mr. Beckwith received over 1,000 hours of flying during his two years of active service in the air corps.

A schedule has been arranged whereby members of the club are assigned definite days to go out to fly, barring weather conditions. Membership is still open to students who wish to learn to fly.

Inter-Fraternity Council

The Inter-Fraternity Council, which governs, supervises and correlates fraternity activities at Middlebury, began to function again this year for the first time since May of 1943. The Council, under Pres. George F. Wiemann III '47, met early in the fall to make plans for the new year.

A Silence Period, based on an informal honor system, was declared in effect from October to March. The formal rushing period began in March with the Smokers, held in Munroe Hall because the fraternity houses were in use as undergraduate dormitories.

The new constitution of the Inter-Fraternity Council, drafted by a special committee, calls for more democratic rushing rules, a preferential system of selection, large quotas on a term instead of a full year basis as in the past, and greater academic emphasis in the houses. Traditional hazing practices were abolished. Serving on the committee which drafted the new constitution were Alan Wolfley '47, Chairman; Charles R. Bobertz '46; Janus C. Lindner '48; Hugh H. Mathews '47; and Robin Willits '48.

Wilson, Secretary-Treasurer; Strayer, President

Pan-Hellenic Council, composed of a junior and a senior representative from each sorority, meets at regular intervals, and aims to advance intersorority relations, to coordinate the activities of these organizations, and to discuss and solve problems of sorority government.

At the Pan-Hellenic Tea which formally introduces rushing, the Council presents to all freshmen and transfers an inclusive survey of sorority life. Through open houses and parties held in all sorority rooms, candidates gain the opportunity to meet and talk with women from each sorority. At the close of a previously designated length of time, each candidate lists her preferences and new members are chosen from these lists.

The Council awards each year a scholastic cup to the sorority with the highest average, thus encouraging scholastic achievement through competition. It also confers a scholarship on a sophomore woman selected as the most generally outstanding member of her class in scholarship, leadership, and character.

Alpha Xi Delta

The national sorority, Alpha Xi Delta, was founded in 1893 at Lombard College, Galesburg, Ill. It is affiliated with the National Pan-Hellenic Council, and at present has over one hundred college and alumnae chapters in the United States. Alpha Pi, the local chapter, elected Florence Goeltz as president for 1945. Charlotte Davis became president in 1946.

The chapter supports national scholarships as well as loan funds which are awarded to students from all sections of the country. Each year a Founder's Day collection is used to aid some charitable organization. During the war portable pianos, an ambulance, a club-mobile, and a mobile canteen were given to the Red Cross and service units.

Delta Delta Delta was founded in 1888 at Boston University. Alpha Iota, one of eighty-eight chapters in the United States and Canada, was established at Middlebury in 1917.

The local chapter helps support a national endowment fund and also a scholarship fund which is presented each year to any woman in the college who needs financial aid to further her education. Tri Delta also contributes to the China Relief Fund and this year a box of food and clothing was assembled by the sorority and sent overseas to help the people of Europe.

Social life for the Tri Delts during the year included supper parties, a trip to the W.A.A. cabin, a week-end at Lake Dunmore, and Hallowe'en and Christmas parties.

The president of Tri Delt for 1945 and 1946 was Jean Crawford.

Kappa Delta

Founded in 1897 at Virginia State Normal School, Farmville, Va., Kappa Delta now has chapters in a large number of universities and colleges throughout the United States. The Beta Eta Chapter was established at Middlebury in 1940 by the petition of a local society. Margaret MacCormick was president for 1945 and 1946.

Nationally, Kappa Delta supports a hospital for crippled children and raises funds for this hospital by such activities as the sale of sorority Christmas seals. They also support a student loan fund and an endowment fund, to which the chapter contributes. Locally, they have contributed to the Foster Parents' Fund, and knitted for the American Red Cross.

Kappa Kappa Gamma was founded in 1870 at Monmouth College, Monmouth, Ill. The local chapter, Gamma Lambda, is one of seventy-four chapters and was established in 1923.

Nationally, the sorority supports Service Women's Centers in the largest cities throughout the country, and offers exchange and graduate scholarships to anyone interested in applying. Kappa is also active in social work and through the Nora Waln Fund has extended help to refugee children during and since the war.

The president of this sorority for 1946 was Katherine Craven.

Phi Mu

Phi Mu, one of the oldest organizations for women was founded in 1852 at Wesleyan College, Macon, Ga. Its Beta Lambda chapter was established at Middlebury in 1925. In Georgia the Phi Mu Health-mobiles and travelling clinics bring medical aid to thousands who could not otherwise afford it.

The president for 1945 and 1946 was Betty Hurd. One of the many worthwhile activities of the year was the donation of a very welcome basket of food and clothing to a needy Middlebury family at Christmas time. They also sponsor a scholarship fund for student nurses, nationally.

Phi Mus spent two very memorable week-ends at the W.A.A. cabin during the course of the year.

Pi Beta Phi was founded in 1867 at Monmouth College, Monmouth, Ill. It was the first national sorority on the Middlebury campus, making its appearance in 1893. Since then the Pi Phis have taken an active part in all phases of college life.

The chapter helps in the maintenance of the Pi Phi Settlement School in Gatlinburg, Tenn. This is a very worthwhile project and does a great deal in aiding the people of that community. The sorority also offers Physiotherapy Scholarships to college women who are able to meet the requirements and are interested in applying.

Barbara Lister was president of Pi Beta Phi during 1945.

Sigma Kappa

Sigma Kappa, one of the seven national sororities at Middlebury, was founded in 1874 at Colby College, Waterville, Me., and the local chapter was established in 1911. Natalie Fox held the office of president for 1945 and 1946.

Among its numerous charities it supports a ship called the "Sunbeam" which brings medical aid and supplies to inhabitants of isolated islands along the coast of Maine. It sends books to the American Merchant Marine Library Association and contributes to a magazine for merchant seamen. The sorority also makes a practice of giving a Thanksgiving basket each year to a needy family in Middlebury.

The presidency of Pan-Hellenic Council was held by Sigma Kappa during this year.

Football

Middlebury's football team was chosen from only 125 men, and since most of these were Navy men, the only times when they could practice were after supper and on Saturdays. In spite of these difficulties the team played a fine brand of football. Of the four games played, we had one victory, one tie and two losses. The season opened on September 15 with a game against R.P.I., which the Panthers lost 12-6. On September 22 the team was defeated 12-6 by Wesleyan at Middletown, Conn. The following week at a home game Middlebury was victorious over the Dartmouth J.V. team with a score of 13-7. The Blue and White lost the final game against the University of Connecticut with a score of 28-6. The outstanding players of the season were William Crowley, Jack Dineen, Tom Jenkins, and Donald MacLean. Considering the handicap, Middlebury's team was very successful.

Basketball

Reconverting to a peace-time schedule as soon as possible with only about one hundred fifty men enrolled in the college was the challenge faced by the Physical Education Department in the fall of 1945. At the end of the first semester the varsity team had to be completely reorganized due to the graduation of Capt. Russ Dale and several other members of the team. Fifteen games were played during the season with seven of them home games.

In addition to the varsity team Coach Brown organized an active Junior Varsity team captained by Robert Cosgrove.

Intramural basketball was carried on as usual, this year on the basis of residence rather than fraternity affiliation as it has been in the past. First term winners were the men of second floor Gifford Hall and second term winners were the men from Fraternity Row.

In the spring of 1945, Middlebury's baseball team was made up mostly of Navy men. The only time when the team was able to practice was after supper, which naturally proved a handicap.

Of the ten games played, the Panthers lost six and won four. Three games were called because of rain. In the game at Williamstown, Middlebury's team was in the lead when the game was called. Middlebury was victorious in both games against U.V.M. with scores of 22-5 and 8-4. The other games which we won were against Clarkson and St. Michael's. We lost one game with St. Michael's, one with Union, one with St. Lawrence, one with Williams and both games with R.P.I.

Middlebury had an excellent infield and good fielding in general. Reisler, the captain, was an adroit catcher. Casey was a superior pitcher. The team was weak at the plate or we might have had an even better season.

Curtailed in 1945 because of a lack of material, the track season in 1946 began with conditioning early in March by a group of over fifty men trying out for teams. Of these three, "Hal" Parker, "Marty" Wittlin and "Rob" Willits, were former members of Middlebury varsity teams. All others were comparatively new to the field of Track, although several had had experience in other colleges.

The general field of Track covers a great many events, some more familiar than others. There is the 100-yard dash, the 220, 440, 880, mile and two-mile. There are the 120 high hurdles and the 220 low hurdles. In the field of jumping are the high jump, broad jump and pole vault. Shot-put, discus throw and javelin throw complete the series.

Under the direction of Coach Arthur M. Brown a limited schedule of meets was prepared, the first of these an intramural May 4 on a fraternity-neutral basis, followed, on May 11, by participation with ten or twelve other colleges in the annual meet of the Eastern Intercollegiate Athletic Association. The Trinity College team came to Middlebury on May 8 for a dual meet; the Middlebury men, on May 25, went to R.P.I., and the season was closed. Next year, however, Coach Brown plans to have a longer season and, with still more material available, it shows promises of being a very good one.

Ski Teams To Uphold Midd

Fraser, Cremer to Captain in Fifteenth Annual Ski Tournament on Midd Slopes

The men's and women's ski teams this year have well upheld Middlebury in the eastern ski meets, seldom failing to place in the top five. Although Middlebury lost its Winter Carnival to Dartmouth, and McGill took the Dartmouth Cup from us, one can better understand the fact when one sees the greater size and choice of the various men's colleges with which our men competed. The men were under the captaincy of Tom Cremer and the team owes its fine training to Coach Joe Jones, former Middlebury man and instructor at Pico.

With Captain Becky Fraser and Polly Hodder taking firsts and seconds at nearly every meet they attended, and the rest of the team placing well, under the coaching of Bobo Sheehan, the Middlebury women's team was the threat of the eastern women's meets, with McGill the only close competitor. At the National Gibson Trophy Race Middlebury skiers took third and fourth places in both the men's and women's competition.

Women's Athletics

About three hundred women participated in W.A.A. during 1945 and 1946 and once again the athletic activities of the women on campus were directed through a very successful season by the W.A.A. Council. As in the past the Council presented jackets to W.A.A. members who had accumulated one thousand points and had participated in an All-Midd team chosen by the Council, a championship team, or were winners of an individual sport. The highly-coveted jackets were given to Rebecca Fraser, Mary Jane Selleck, Marcey Lynn, and Ann Argyle.

W.A.A. members were active all year in team competitions within and between classes. Awards were given to tournament winners and winning interclass teams. As an added attraction W.A.A. participated in the University of Vermont Playday, competing in volleyball, ping-pong, badminton, basketball, and modern dance. Vermont Junior College and Green Mountain Junior College were also present. In the spring of 1946 W.A.A. sponsored its annual bridge for the benefit of the Red Cross. Highlights of the party were the cigarette raffle and the door prize.

Miss Rosevear gave her invaluable assistance as faculty advisor.

Volleyball

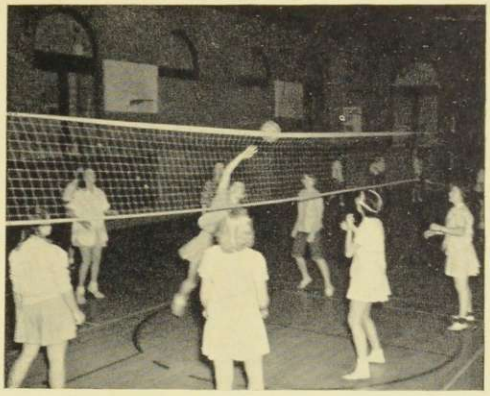
Under the management of Marcey Lynn, this year's volleyball season reached the highest peak of enrollment and activity ever before witnessed in the college. There were one hundred ten girls playing this fall on ten full teams.

Winners of practically all of their games and claimants of great prestige, the senior "Old Ladies'" team ended the season as champions, with three of their players, Bette Bertschinger, Marcey Lynn, and Mary Jane Selleck as members of the All-Midd Volleyball team for 1946. The other members of All-Midd were: Camille Buzby, Jane Drummond, Polly Hodder, JoAnne Selleck, Phyllis Hatch, and Patricia Schryver.

Basketball

The 1946 basketball season was started in January with Gloria Antolini as manager. A new system was initiated which included two tournaments; one composed of four leading class teams and another of seven teams. The A tournament was won by the senior team and the B tournament by a sophomore team. The freshmen held second place in both tournaments.

The All-Midd Basketball Team for 1946 included Patricia Salmon, Lura Williams, and Joan Sherman as guards, Elizabeth Van Allen, Patricia Perkins and Margaret Drysdale as forwards.



Badminton

As soon as the last basketball had been put away for another season, badminton made its ever welcome appearance under the management of Ernestine Rolls.

After the usual practice hours were completed a tournament with an enrollment of fifty-seven women was started. The four who were successful in reaching the final matches were Bull, Selleck, Cunningham, and Henderson. The last games were very close and exciting but Mary Jane Selleck outplayed her runner up, Alice Louise Bull, to be the 1945 "champ."

Archery

Due to unfavorable weather conditions the Women's Athletic Field was not available for sports in the spring of 1945 and the archery tournament was not held.

The usual procedure for receiving W.A.A. credit for archery is to play fifteen hours and to enter the tournament. Archers sign up for hours at the beginning of each season and the tournament is played after practice hours are completed. Each year a manager is chosen by W.A.A. Council.

The Physical Education Department purchased a great deal of new archery equipment during this year.

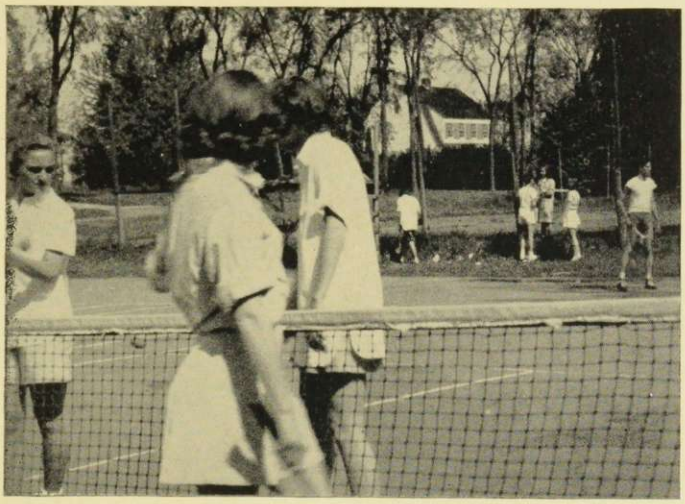
Riding

Each spring W.A.A. Council offers credit to all women interested in completing twelve hours of riding. Riders arrange their own hours and any sunny afternoon enthusiasts may be seen leaving the stables located on West Road below Hillcrest for an hour or more of enjoyment on the various trails and roads surrounding the campus. A favorite ride is to the Morgan Horse Farm where a number of colts can always be seen in the fields.

No manager was chosen for riding for 1945. Ann Argyle, vice-president of W.A.A., handled credits for the few who were able to complete their hours despite the unfavorable weather.

Hockey

Hockey is one of the most popular sports on the Middlebury campus as it is one of the few outdoor group sports for women, and there is always a large turnout. The games are played in the spring of the year on the Women's Athletic Field which is located between the Château and Forest Hall. The field is marked off each season in preparation for the games which are played almost every afternoon. However, due to an unusually rainy spring, the field was unavailable and no hockey was played in 1945.



Tennis

Tennis enthusiasts were pleased to start their favorite sport in the middle of March in 1945 due to the extreme hot spell we had. For perhaps the first time in the history of Middlebury, the basketball season coincided with the tennis season. Due to the great amount of rain we encountered during the months of April and May the tournament went only as far as the semi-finals.

The 1946 season also started in March. The six courts behind Hepburn were always crowded with people waiting patiently for a chance to play.

Modern Dance

Under the leadership of Miss Teriz Malootian and Carolyn Leach, the Modern Dance Club has expanded greatly, necessitating two divisions; one for beginners, and a second, the Modern Dance Group, for more advanced members.

Last spring as a demonstration of their talents, "Ballad for Americans" was presented. In this program the expansion of America was traced with appropriate costumes, scenery, and dances. The dances represented the Machine Age, Emancipation and the Civil War, and Westward Expansion.

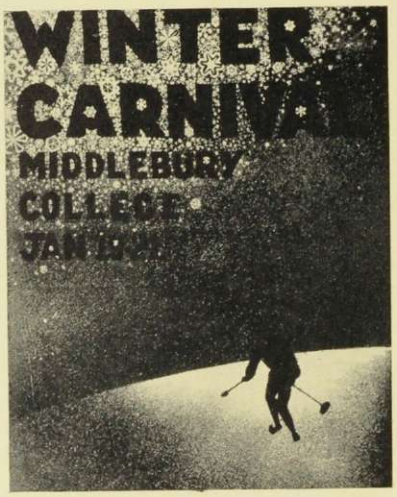
1945 Winter



In spite of innumerable odds, Emmy Cushing and Ray Sacher ably filled the positions of co-chairmen of Carnival which Peg Romer and Barbara Boyden held last year. The big week-end began with the play, *You Can't Take It With You,* as popular as last year's *Arms and the Man.* Skiing events were held on Breadloaf with Becky Fraser capturing the women's honors and Dartmouth winning the men's combined events, taking U.V.M.'s previous title. Friday's entertainment culminated in Klondike Rush, enlivened by square dancing. Carnival Ball, with dancing to the music of Randy Brooks, who replaced last year's Jan Savitt, saw Jean Crawford and Russell Dale inherit their crowns from Becky Fraser and Bruce Carson. The Skating Show, completing Carnival, featured an imported professional skater. Lack of snow prevented sculptures, which were won last year by Starr and Hepburn. For the second consecutive year Mary Cameron won the poster contest.

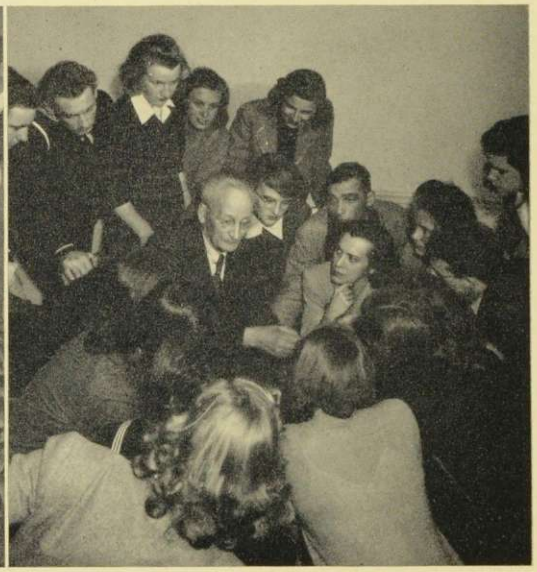
1945 Culture Conference

The third annual Culture Conference opened on January 27 during a crucial period of the war. Recognizing the perilous position of America, her ideals, and the hopes of the world, students and speakers gathered together to discuss "The Challenge of the World Crisis." It was hoped that by understanding the causes and effects of World War II Middlebury students and their guests might, once peace was secured, do what they could as world citizens to prevent the catastrophe of a third world conflagration. In an effort to approach the problem from as many sources as possible the program was divided into four groups of related topics: economics and politics; philosophy, religion and science; the arts and literature; and general conclusions. Speaking with enthusiasm, the participants succeeded in stimulating their audience to an acute awareness of and an intense interest in the problems at hand. The speakers included Alexander Petrunkevitch, Granville Hicks, Hazel Scott, George N. Shuster, A. Clayton Powell, Jr., Winfield T. Scott. The program was under the supervision of Professors Kaiser and Bourcier of the faculty and Elizabeth Casey and Barbara Snow of the student body.



1946 Culture Conference

On the week-end of March 30, 1946, Middlebury held its fourth annual Culture Conference. The Conference was attended by outstanding leaders having particular knowledge concerning the national, international and cultural problems listed on "The Balance Sheet of Victory." The participants were gathered together to answer the need for an intelligent, well-informed student body, as well as thinking alert American citizens.

Among the speakers at the four three-hour sessions were Theodore Spencer, Muriel Rukeyser, Dr. D. L. Thomson, Rockwell Kent, Albert Deutsch, Wilder Foote, Senator Warren Austin, and Edward Chamberlin. Saturday evening students discussed their own questions with the participants at an open house.

The Culture Conference was suggested to Middlebury students after they had visited the Williams Political and Economic Conference a few years ago. In 1943 the first Conference at Middlebury was held in keeping with the liberal arts tradition. This year the Conference was once more a great success. Professor Bourcier was the faculty chairman.

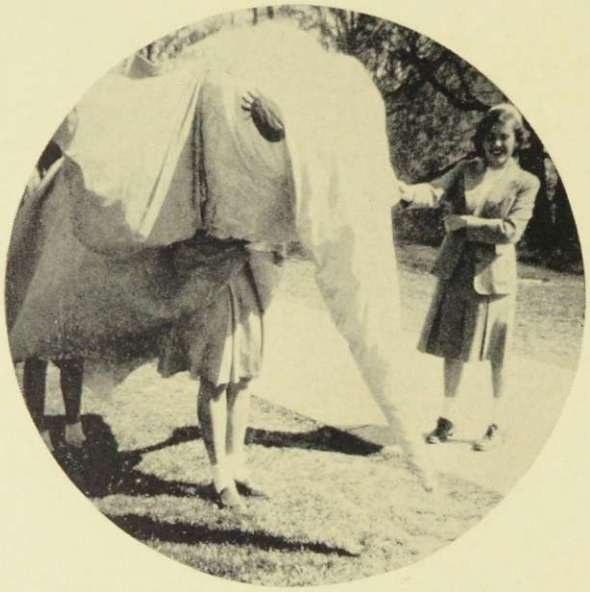
Club '47



Club '47 was sponsored by the Class of '47 as its freshman and sophomore dances. Freshman year the club had the Bohemian atmosphere of a 52nd Street night club in New York. The dance was informal, A.M.B., and very gay. Decorations were in red and white and there were tables for two with checked table cloths and candles. For hungry and thirsty dancers "Freshman Fizzes" and other refreshments were to be had at the bar. Music was recorded and the highlight of the evening was a floor show featuring the "Campus Rockettes."

In its sophomore year Club '47 was completely different. The band from Tufts College played at this formal, sophisticated affair. The gym was decorated in pink and black, and was known as the "Pink Elephant Room," for there were huge pink elephants cavorting around the walls. Refreshments were served at an elaborate pink and black bar and a floor show topped a most memorable evening.

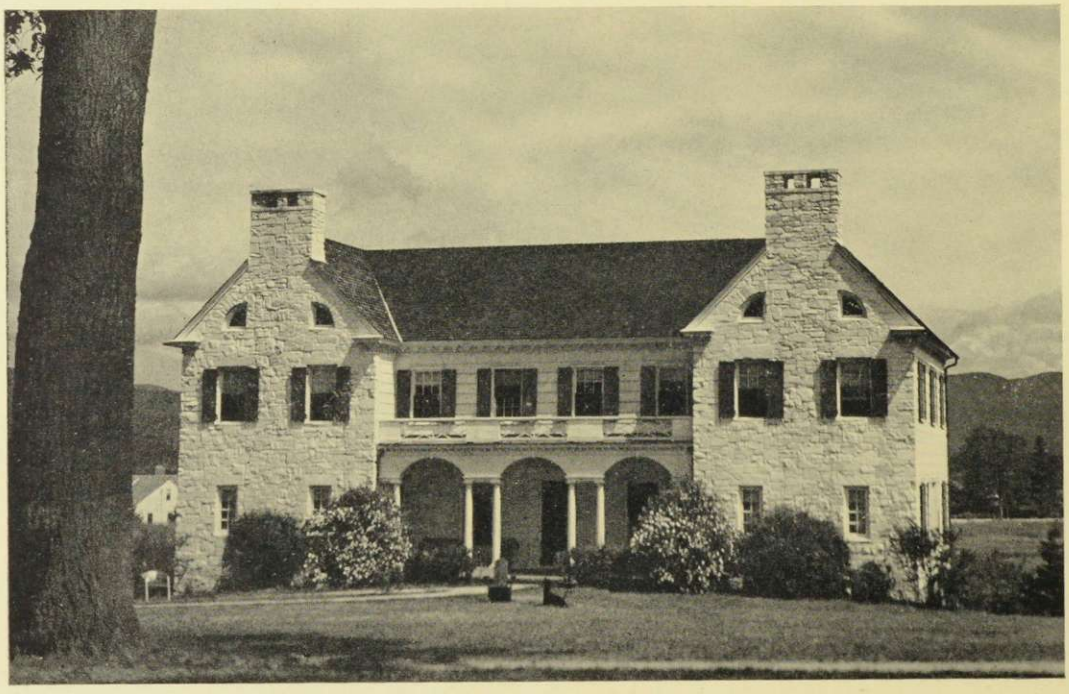
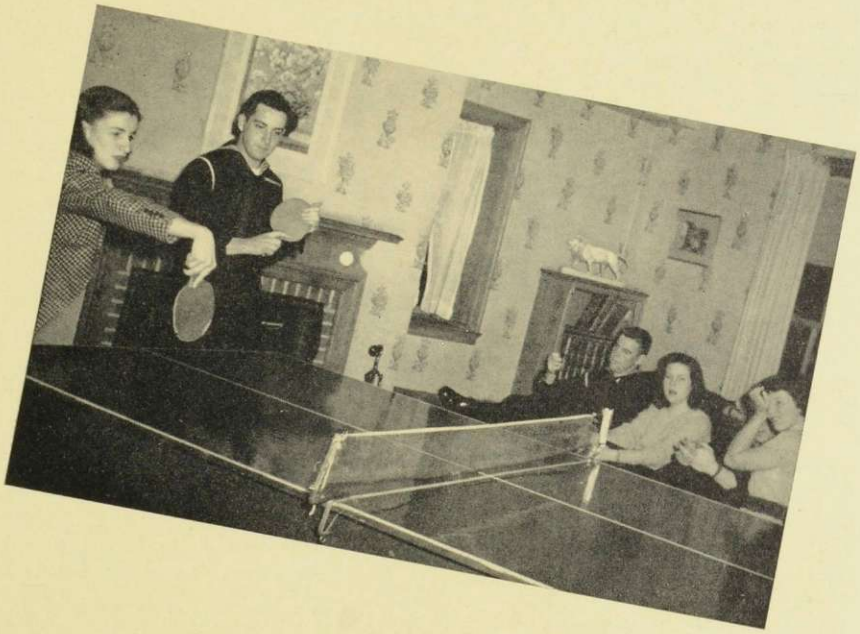
Lodge

The need for a Lodge where students could go during the afternoon or evening to dance to the music of the Blue Panthers or records, play ping-pong and bridge, enjoy college movies, and occasionally take time out for a sandwich, a cup of coffee or a coke was recognized in the fall of 1943. Plans were immediately formulated and the first Lodge was situated in the Chi Psi Lodge. It was later moved to the Sig Ep House and during the summer term of 1945 it found its home in Hepburn dining room. Mrs. Avery, a well-liked hostess, made sure that everyone enjoyed himself to the fullest.

We were also most fortunate in having a very successful committee who handled the finances, arranged for chaperons and hostesses, provided records, and organized a membership drive on campus.

The winter of 1946 found the Lodge replaced by the Panther Room, located in the Chi Psi Lodge. During this year it was sponsored by the Administration.

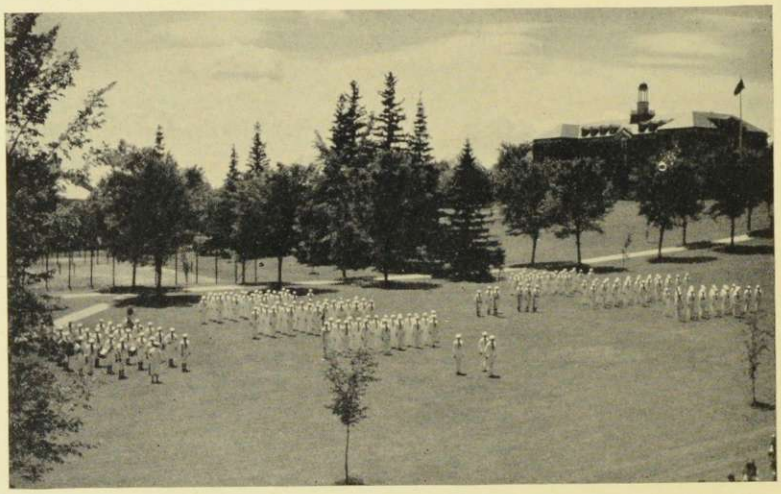


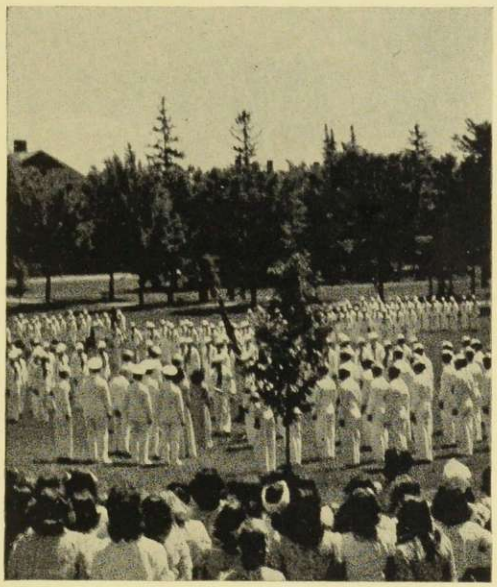


June Week

The Navy week-end of June Week, 1945, was officially opened Saturday afternoon, June 9, by the final review and Color Ceremony on the quadrangle in front of Munroe Hall. The band music, the trim lines of men in white and the shaggy goat with gilded horns and blue and gold Navy blanket all helped to give us the holiday spirit. For most of us it was our last formal view of Navy life at Middlebury.

A brief address by President Samuel S. Stratton followed the inspection by the Commanding Officer's party, in which were Dr. Stratton, Dean Boylston Green, Lieutenants Lee F. Lybarger, Elmer D. West and Dean H. Hanley, and the Color Girls,





Janet Kraft for Company A and Mary D. Nasmith for the winning Company B. Competition had been based on weekly personal and quarters inspection and the weekly reviews. Miss Nasmith, the Regimental Color Girl, received the colors from President Stratton and in turn presented them to the new color guard. The band struck up, the unit passed in review, and the ceremony was over.

Saturday evening was the Navy Formal, with music by Lee Castle's band. The highlight of the evening was the Sweetheart Dance for members of the winning company. Plans for the formal were under the direction of Ivan T. Berman A/S, chairman of the Navy Social Committee, assisted by Harry L. Krummel A/S and Fred E. Wright A/S. Other chairmen were Publicity—William V. Boyd A/S; Decorations and Refreshments—Howard A. Kass A/S; Music—Cecil H. Steen A/S.

Sunday morning, June 10, Gifford Hall help Open House. June Week-end was closed Sunday afternoon by the traditional Step Singing ceremony which took place on the steps of Mead Chapel. Winner of the competition was the Freshman Class, under the direction of Jeanette A. Winans and Sally L. Fisher, both members of the class of '48.

Navy Week-end at the close of the summer term was less colorful but perhaps meant a little more to us, for it marked the termination of Middlebury's V-12 unit. Installed in July of 1943, the unit had become for us a part of college life. It seemed strange to think that the sailors were leaving.

On Friday, September 28, the men presented "V-12 Varieties," opening the week-end of events. There had been no company competition, so there was no formal color ceremony as there had been in June. Saturday afternoon there was a football game at Porter Field. That night the "Farewell Cruise" was given in the gym. The Open House in Gifford Sunday morning marked the close of the week-end.

Acknowledgement

Our sincere gratitude is extended to all those who made the 1947 KALEIDOSCOPE possible:

Sargent Studio, especially Mr. Green, for photographic work.

Worcester Engraving Company, particularly Barbara Drury, for the engraving.

Free Press Printing Company, especially Mr. Blodgett, for the printing of the book.

Kingsport Kraft and Mr. P. A. Nelson for cover manufacture.

Sophomore tryouts for their cooperation and efficiency in gathering and typing write-ups.

Mr. L. L. McAllister, Mr. A. W. Gove, Robert Terrill, Mrs. Weidner, and Mr. Huban for their help in providing photographs.

Mary Cameron for the drawing of the "Historical Sketch."

Louise von Thurn for her assistance as Managing Editor before transferring to the Cornell School of Nursing.

The KALEIDOSCOPE Staff for the many hours they spent working on the yearbook. The editor wants to thank them especially for their cooperation and efficiency.

The student body for being on time for photographic appointments and for providing informal candids.

Editor's Note

The staff of the 1947 KALEIDOSCOPE presents to you the Junior Yearbook. Although the war is over, this year's book has been compiled under war-time conditions. Many matters had to be taken into consideration. Last year Middlebury had a V-12 unit on campus, and as the V-12 students cooperated with us in our various activities and showed a great deal of interest in our KALEIDOSCOPE, we have included them in our book. Now, Middlebury is once again a civilian college and we are happy to include in our Yearbook the men's college. We hope that you enjoy your KALEIDOSCOPE as much as we have enjoyed editing it for you.

★ More than a thousand year books have borne the imprint of New England's Master Craftsmen.

Many business managers and editors of year books in the school and college field have written us in appreciation of our cooperation and helpful suggestions. This, of course, has been very gratifying to us and we are looking forward to the years ahead with the same spirit of helpfulness to the business managers and editors of the future.
